PART I

IMPORTANT GOVERNMENT ORDERS

CHIEF SECRETARIAT

Permission to Government servants to join Bharat Sevak Samaj.

OFFICIAL MEMORANDUM.

O.M. No. CH.S. 12278-378—MISC. 106-52-1, DATED BANGALORE, THE 28TH NOVEMBER 1952.

The Bharat Sevak Samaj is a nation-wide, non-official and non-political organisation recently started at the instance of the Planning Commission with the object of enabling individual citizens to contribute in the form of an organised co-operative effort to the implementation of the National Development Plan.

2. In view of the non-political and non-sectarian character of the Samaj and the nature of work in which it will be engaged, Government servants should, if they so wish, be encouraged to join the organisation and to participate in its activities provided this can be done without detriment to the proper discharge of their normal official duties. The following instructions are laid down for observance in this connection :—

(1) Government servants wishing to join the Bharat Sevak Samaj should obtain prior permission from the appropriate Head of the Office or Department concerned.

(2) Permission should be freely granted, provided the Head of the Office or Department satisfies himself in each case that participation in the Samaj's activities will not interfere with the due discharge by the Government servant concerned of his official duties. If actual experience in any individual case or class of cases shows that this condition cannot be satisfied, the permission already granted may be revoked.

(3) It should be made clear to all Government servants concerned that permission to participate in the activities of the Bharat Sevak Samaj will not absolve them from the due observance at all times of all the rules and instructions relating to the conduct and behaviour of Government servants, etc.

N. PUTTARANGASWAMY,
Chief Secretary to Government.

REVENUE AND HOME SECRETARIAT

Reviews the Administration Report of the Muzrai Department for the year 1951-52.

READ—

The Report on the working of the Muzrai Department during the year 1951-52, received with the Muzrai Commissioner's letter No. N1-Per. A. 1—52-53, dated the 30th December 1952 (printed as annexure).

ORDER No. R. 16377-98—MUZ. 235-52-3, DATED BANGALORE, THE 7TH MARCH 1953.

Recorded.

2. *Important Events.*—Important Utsavams, Jatras and Car Festivals and Urus of Nawab Hyder Alikhan and Nawab Tippu Sultan at Gumbaz were held according to the schedule. The Sringeri Mutt and its properties continued under Government management. The Special Research Committee constituted for the conservation of Sri Gomateswara image at Sravanabelagola was engaged in examining the condition of the image in order to take measures necessary for the conservation of the idol.

For the celebration of Mahamasthakhabhisheka to Sri Gomateswaraswamy at Sravanabelagola in March 1953, action was taken to constitute Secular Committees to make preliminary arrangements. For the Panchalinga darsan at Talkad held on 17th November 1952, action was also taken to make preliminary arrangements.

The Fourth Annual Conference of Agamatraya Mahamandala was conducted at Nanjangud from 10th December 1951 to 12th December 1951. His Highness the Maharaja of Mysore opened the conference and His Holiness Sri Swamigalu of Sri Pejavar Mutt, Udipi, presided on the occasion.

His Highness the Maharaja of Mysore visited Tirumalai Thirupathi devastanams on 8th August 1951 and necessary arrangements were made for the offering of the Royal Honours at the time of his visit to the temple.

The Government relaxed the restrictions regarding the admission of students to the Agama classes of Sri Chamarajendra Vedamahapatasala, Bangalore, and the Maharaja's Sanskrit College, Mysore.

Proposals for construction of buildings in Shankara Park and lower gardens of Shankar Mutt at Bangalore costing nearly six lakhs were sanctioned, the execution of the work being taken up in stages and spread over a period of six years through the Agency of a Special Committee with the Chief Engineer as Chairman. The work is in progress.

3. *Muzrai Institutions.*—There were 192 major institutions, 1,245 minor institutions and 13,320 village institutions during the year, as against 167 major, and 1,216 minor institutions in the year previous.

4. *Grants from State and Muzrai Funds for construction and repairs of Muzrai Institutions.*—A sum of Rs. 1,81,849-2-0 was spent on 223 old and new works sanctioned during the year. Seven hundred and eight works costing Rs. 11,16,250-13-4 were pending at the close of year. The delay in the completion of the works is due to the rise in the cost of building materials and the difficulty in securing materials like steel, etc., in large quantities and also due to the rice in the cost of labour resulting in the revision of the estimates.
